As the Petitioner in the above-captioned matter, I respectfully ask the Court for permission to participate in electronic case filing ("e-filing") in this case. I hereby affirm that:

2. I understand that once I register for e-filing, I will receive notices and documents only by email in this case and not by regular mail.
3. I have regular access to the technical requirements necessary to e-file successfully:

A computer with internet access;

- An email account on a daily basis to receive notifications from the Court and notices from the e-filing system.
- A scanner to convert documents that are only in paper format into electronic files;

- A printer or copier to create to create required paper copies such as chambers copies;
- A word-processing program to create documents;
- A PDF reader and a PDF writer to convert word processing documents into PDF format, the only electronic format in which documents can be e-filed.

E-filing is also good for the environmnt and saves money and time for all involved.
